

2018 TECHNICAL CONFERENCE

Your **Education**. Your **Experience**. Your **Conference**.

Save the Date

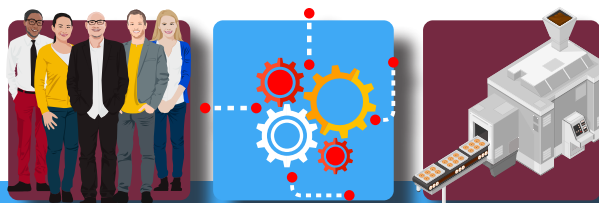

October 28-31, 2018 – Hyatt Regency Indianapolis

Registration opens late June!

The Technical Conference brings together cookie and cracker professionals from around the world and is THE place to be for the most useful and up-to-date technical information available. Join us so you too can harness the power of this conference and engage through interactive experiences, hands-on workshops, keynotes, conference presentations from industry experts, and new for this year – a bakery tour available to all attendees!

Key Features Include

- State of the Industry Address
- Hands-On Training Workshop
- **NEW This Year!** Kroger Bakery Tour
- **NEW This Year!** IncuBAKER – Interactive Audience Experience
- Educational Breakout Sessions – focusing on production, technology, management and sustainability issues
- Expert Panels
- Table Top Exhibits
- First-Year Attendee Breakfast
- Product Display – Manufacturers from around the world send in their tasty treats for all attendees to enjoy
- Opportunities for business-to-business networking, meeting industry leaders and connecting with peers
- Motivational Speaker
